

KIDS' HEALTH CARE COVERAGE IN

Colorado

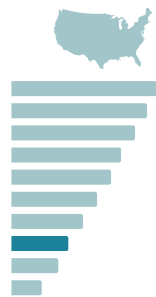

63,763

WE'RE LOOKING OUT FOR OUR KIDS!

From 2008 to 2013, 63,763 Colorado kids have gained health insurance, thanks mainly to Medicaid and Child Health Plan Plus (CHP+)

+8

Our state now ranks 39th among the other states in terms of insuring our kids, up from 47th in 2008

1 in 8 Hispanic children remain uninsured in our state - more work to be done!

Healthy Kids
A Healthy Colorado

We have made progress in covering children, and with continued investment in our public coverage programs like Medicaid and CHP+, we can achieve coverage for all of Colorado's children: <http://wp.me/p2TgAF-4Re>
